AFFIDAVIT OF UNDERSTANDING

I agree the statements made above are true, and if found not to be true this application and any approval will be void. Further, I agree to comply with the conditions and regulations provided with this parent parcel division. Further, I agree to give permission for officials of the municipality, county, and the State of Michigan to enter the property where this parcel division is proposed for the purposes of inspection. Finally, I understand this is only a parcel division which conveys only certain rights under the applicable local land division ordinance and the State Land Division Act (formerly the subdivision control act P.A. 288 of 1967, as amended (particularly by P.A. 591 of 1996 and P.A. 87 of 1997), MCL 560.101 et. Seq.) and does not include and representation or conveyance of rights in any other statute, building code, zoning ordinance, or deed restrictions of other property rights.

Finally, even if this division is approved, I understand local ordinances and state Acts change from time to time, and if changed the division made here must comply with the new requirements (apply for division approval again) unless deeds representing the approved divisions are recorded with the Register of Deeds or the division is built upon before the changes to the laws are made. Also, I understand that the issuing local governmental unit and its officers and employees are not liable if a land use permit/building permit are not issued for a resulting parcel because the parcel is less than one acre in size, lacks either public water and sewers or health department approval for on-site water supply and on-site sewage disposal. The approval of this division is not a determination that the resulting parcel complies with any applicable zoning ordinance or other ordinances. The Local Unit and its officers and employees are not liable if a permit for construction is subsequently denied for construction because of inadequate water supply, sewage disposal, or failure to meet other zoning ordinances or general ordinances. Specifically, this does not indicate zoning review or compliance.

Property Owners Signature _____ **Date:** _____

*** Only valid if ALL current property owners of record sign this application. Letter of authorization **must** accompany all agent signatures.*

Attachment 4- Deed Attachment

(this is not necessary for boundary line adjustments/exempt splits)

DEED ATTACHMENT:

Documentation is needed to determine split rights. Part of the Land Division Act requires the local unit to verify that the property owner has the legal right to split their property. This right is either automatically granted as of March 31, 1997 or it is given on your deed. Your chain of title can also restrict your right to split your land. Therefore, it is a requirement that you submit all deeds related to your title.

Has your property been split since March 31, 1997?

If no, then:

Please submit all the deeds starting with the first deed recorded/executed PRIOR to March 31, 1997 and then submit each deed recorded on the property after this and finally showing the current owner/applicant.

If yes, and your property has been split since March 31, 1997, then:

Please submit all the deeds starting with the first deed recorded/executed PRIOR to March 31, 1997 and then submit each deed recorded on the property after this and finally showing the current owner/applicant.

Also, will need the chain of title on all child parcels. For instance, if a property was split in May of 2005 into 3 parcels and the applicant is splitting parcel A (other's own parcels B and C), then we will need the full chain of title on the parent parcel and all child parcels (parcel a, b, and c). This is in addition to the current owner's chain of title on the parcel they are applying for the split. We will need the chain of title starting with the first deed recorded/executed PRIOR to March 31, 1997 through the date of the split in May of 2005. Then, all deeds on each child parcel (a, b, and c) from May of 2005 to the current date.

- Do ALL of the parcels comply with the local minimum size requirements?
- Does the PARENT tract have available divisions for further splitting? (above chart)
- Are any resulting parcels less than 10 acres?
 - If so, do they meet a 4 to 1, width to depth ratio. For example, if a parcel has 100 feet on the road, its “depth” cannot exceed 4 times that, or 400 feet. Anything less than 400’ would meet approval. Anything more would not be approved. This does not apply to parcels over 10 acres in size.

Addendum #A1: Boundary Line Adjustment/Exempt Split per MCL 560.102 (d) & (e)

A boundary line adjustment is an exempt split per MCL 560.102. This does not create a new resulting parcel, rather, it moves the boundary line from one property to another. This may involve two parent tracts, two child parcels, and may or may not be owned by the same individuals. The property owner of both the transfer parcel and the receiving parcel must sign this page at the bottom.

The “Land Division Act” which is Act 288 of 1967, specifically, MCL 560.102 (d) & (e) provides the definition of a boundary line adjustment as a property transfer between 2 or more adjacent parcels:

(d) "Division" means the partitioning or splitting of a parcel or tract of land by the proprietor thereof or by his or her heirs, executors, administrators, legal representatives, successors, or assigns for the purpose of sale, or lease of more than 1 year, or of building development that results in 1 or more parcels of less than 40 acres or the equivalent, and that satisfies the requirements of sections 108 and 109. Division does not include a property transfer between 2 or more adjacent parcels, if the property taken from 1 parcel is added to an adjacent parcel; and any resulting parcel shall not be considered a building site unless the parcel conforms to the requirements of this act or the requirements of an applicable local ordinance.

(e) "Exempt split" means the partitioning or splitting of a parcel or tract of land by the proprietor thereof or by his or her heirs, executors, administrators, legal representatives, successors, or assigns that does not result in 1 or more parcels of less than 40 acres or the equivalent. For a property transfer between 2 or more adjacent parcels, if the property taken from 1 parcel is added to an adjacent parcel, any resulting parcel shall not be considered a building site unless the parcel conforms to the requirements of this act or the requirements of an applicable local ordinance.

Requirements:

- Complete Pages 1-5 of this application along with Attachments 1-3.
- Page 6/Attachment 4 is not necessary, but you must include the current deeds for both the transfer parcel and the receiving parcel showing ownership and signed below by all owners.
